## DIMAP Bioconfort e

Two outputs portable device  
 Programs A, B, C, 0-13  
 Frequency, intensity choice (1-10)  
**Preset time to 25 minutes**  
 Digital display  
 LED indication  
 Acoustic and optical signaling  
 Overload, short circuit protection system

**Price: 872 €**

## DIMAP Technimag e

Two outputs portable device  
 Programs A, B, C, 0-13  
 Frequency, time, intensity choice  
 Intensity 1-10  
 Digital display  
 LED indication  
 Acoustic and optical signaling  
 Overload, short circuit protection system  
**Simple control with 4 buttons - program, time, intensity, start**

**Price: 784 €**

## DIMAP D2000 e

Two outputs portable device  
 Programs A, B, C, 0-13  
 Frequency, time, intensity choice  
 Intensity 10-100%  
 Digital display  
 LED indication  
 Acoustic and optical signaling  
 Overload, short circuit protection system

**Price: 564 €**

## ADAPTING TO YOUR NEEDS | choice between 3 types of devices from the family magnetotherapy

- **Bioconfort:** program selection, time PRESET on 25 minutes and intensity selection for each output (used mainly in small rehabilitation)
- **Technimag:** program selection, time selection (5-90min) and intensity selection, an emphasis on design - easily operating by 4 buttons, popular especially abroad
- **D2000:** program selection, time selection (5-90min) and intensity selection, the best price device

## A1HF

Designed for the local application of pulse magnetic fields around the hand, wrist, elbow, heel, or C-spine

Dimensions: 23x23cm and hight 3,5cm

**Price: 96 €**

## A4HLg

Designed for the local application of pulse magnetic fields around the spine, back

Dimensions: 48x48cm and 3.5cm high

**Price: 160 €**

## SPHLg

Designed for the local application of pulse magnetic fields around the limb, C-spine, joint

Dimensions: diameter 24cm and width 8cm

**Price: 173 €**

## A2HLg 250 DUO

Designed for the application of pulse magnetic fields around the spine, back, limb etc

Dimensions: 2x (DUO) 25cm width, 48 length, 3,5cm high

**Price: 287 €**

### A3HLg MAX DUO

A3HLg MAX Duo is applicator for demanding clients.

Applicator is designed for the local application of pulse magnetic fields around the spine, back. The application is performed in lying.

Dimensions: 45 cm width, 170 length, 3.5cm high

**Price: 452 €**

## FAMILY SETS

### SET Technimag BACK

**Set include:**

device DIMAP TECHNIMAG

applicator A1HF - hand, wrist, elbow, heel, or C-spine etc.

applicator A4HLg (on back) - the back and spine

leatherette bag

**SET DEVICE Technimag BACK**

**Price: 1.072 €**

**SET DEVICE Bioconfort BACK**

**Price: 1.160 €**

**SET DEVICE D2000 BACK**

**Price: 852 €**

### SET Technimag SOLENOID

**Set include:**

device DIMAP TECHNIMAG

applicator A1HF - hand, wrist, elbow, heel, or C-spine etc.

applicator SPHLg (solenoid diameter 24cm) – on legs and hands

leatherette bag

**SET DEVICE Technimag SOLENOID**

**Price: 1.086 €**

**SET DEVICE Bioconfort SOLENOID**

**Price: 1.174 €**

**SET DEVICE D2000 SOLENOID**

**Price: 866 €**

### SET Technimag DUO

**Set include:**

device DIMAP TECHNIMAG

applicator SPHLg (solenoid diameter 24cm) – on legs and hands

applicator A4HLg (on back) - the back and spine

leatherette bag

**SET DEVICE Technimag DUO**

**Price: 1.149 €**

**SET DEVICE Bioconfort DUO**

**Price: 1.237 €**

**SET DEVICE D2000 DUO**

**Price: 929 €**

### SET Technimag TRIO

**Set include:**

device DIMAP TECHNIMAG  
applicator A1HF - hand, wrist, elbow, heel, or C-spine etc.  
applicator SPHLg (solenoid diameter 24cm) – on legs and hands  
applicator A4HLg (on back) - the back and spine  
leatherette bag

**SET DEVICE Technimag TRIO** Price: **1.244 €**

**SET DEVICE Bioconfort TRIO** Price: **1.332 €**

**SET DEVICE D2000 TRIO** Price: **1.024 €**

### SET Technimag 4 DORSAL

**Set include:**

device DIMAP TECHNIMAG  
applicator A2HLg250 DUO (DUO = two applicators) – ( universal applicator, for back, spine, hips, limbs, etc.)  
2 fixing parts with strap  
leatherette bag

**SET DEVICE Technimag 4 DORSAL** Price: **1.102 €**

**SET DEVICE Bioconfort 4 DORSAL** Price: **1.190 €**

**SET DEVICE D2000 4 DORSAL** Price: **882 €**

### SET Technimag BED

**Set include:**

device DIMAP TECHNIMAG  
applicator A3HLg MaxDuo (45 cm width, 170 length ) - (for the local application of pulse magnetic fields around the spine, back.)  
leatherette bag

**SET DEVICE Technimag BED** Price: **1.268 €**

**SET DEVICE Bioconfort BED** Price: **1.356 €**

**SET DEVICE D2000 BED** Price: **1.048 €**
